

Historic Downtown

This pedestrian-friendly environment is characterized by quaint sidewalk cafés, brick-lined walks, and six blocks of unique boutiques, shops, art galleries, restaurants and nightlife. In addition, Hollywood Boulevard is on the National Register of Historic Places and is the backdrop for year-round festivals, street markets, and entertainment.

Don't miss the dozens of outdoor murals that comprise the Downtown Hollywood Mural Project. Explore on your own or join the free guided walking tour during ArtWalk on the third Saturday of every month.
